TO DRINK

While Indochine flavours aren't always associated with drinking wine, we reckon we've had a good crack at matching wine to the sour, sweet, hot, spicy & bitter flavours. The whites are refreshing, crisp, aromatic and with perhaps a touch more sweetness and the reds are low in tannins, a little fruiter with a wee bite of acid. There could be a couple of names on here which you may not recognise, but be assured they have been selected with drinking in mind- so give them a go. That's why we have a large selection by the glass and the carafe. Even if you're not eating, there is plenty of good drinking to be had. Cheers
